**The Inc. 5,000 List Includes Pinnacle Services, Inc.**

*The Inc. magazine list recognizes the fastest growing US businesses*

**August 23, 2007 (MINNEAPOLIS)**—Pinnacle Services, Inc. was highlighted in Inc. Magazine’s first-ever “Inc. 5,000” list that recognizes the country’s fastest-growing private companies. Pinnacle Services reported a 35.6 percent growth in revenue over three years. The Midwest region, with 1,046 of the 5,000 businesses listed, is noted as the hottest area in the country for business growth.

“The Inc. 5,000 provides the most comprehensive look ever at the most important part of the economy—the entrepreneurial part,” said Inc. magazine project manager Jim Melloan.

“It is fulfilling to receive recognition for the work of our team and the people we serve. This is a wonderful opportunity to share the story of how our services are improving the lives of individuals and their families,” said Nicolas Thomley, CEO of Pinnacle Services, Inc.

To qualify for the 2007 Inc. Magazine’s 5,000 list, companies had to be U.S.-based and privately held, independent—not subsidiaries or divisions of other companies—as of December 31, 2006, and meet financial growth standards.

Complete information for this year’s list can be found at <http://www.inc.com/inc5000>. The list features a profile for each company and is searchable according to industry, city, state, region and year founded.

Pinnacle Services, Inc. is an innovative multi-service provider for children and adults with long-term disabilities and senior citizens. The company offers case management services, residential and vocational support services, and fiscal support services to people and their families in various counties throughout Minnesota. The mission of Pinnacle Services is to ensure quality services are provided to the people they serve. Additional information about Pinnacle Services can be found at <http://www.pinnacleservices.org>.
