Pinnacle Services, Inc. Opens New Customized Living Residences

Northeast Minneapolis apartments will house 20 residents

March 1, 2007 (Minneapolis)—Pinnacle Services, Inc. is welcoming new residents into the company's newest apartment building as part of the Customized Living service (formally known as Assisted Living Plus). Immediate openings are available for individuals with CADI and TBI waivers.

The building was acquired earlier this year and is located at 2902 Polk Street NE in northeast Minneapolis tucked alongside a residential community. The building is convenient to public transportation and offers services including assistance with laundry, meal preparation, housekeeping, medication monitoring and skill development.

“We are excited and ready for residents to move in. This building will offer a unique experience for growth for individuals may not have been able to live independently in the past,” said Jill Cihlar, COO of Pinnacle Services.

Each unit has two bedrooms, spacious living rooms and updated kitchens. For more information regarding the building and services or to schedule a tour, contact Jill Cihlar, COO of Pinnacle Services, Inc. at (952) 905-2358 or jill.cihlar@pinnacleservices.org.

Pinnacle Services, Inc. is an innovative multi-service provider for children and adults with long-term disabilities and senior citizens. The company offers case management services, residential and vocational support services, and fiscal support services to people and their families in various counties throughout Minnesota. The mission of Pinnacle Services is to ensure quality services are provided to the people they serve. Additional information about Pinnacle Services can be found at <http://www.pinnacleservices.org>.
